

PROTEIN-ENHANCED Chocolate-Flavored Milk

IdaPro® MPC-80 delivers smooth and creamy protein-enhanced flavored milk

Milk Protein Concentrate
Best of Class 2020

Protein-enhanced chocolate flavored milk is a great way to provide a large amount of protein to busy active adult consumers. Our IdaPro® Milk Protein Concentrate adds significantly to texture and provides the best stability for an aseptic beverage application, based upon the gold standard for solubility and heat stability. Our IdaPro® MPC delivers sustainable energy for a longer period of time, helps build and maintain muscle toning, and controls weight.

Our unique, vertically integrated business model facilitates the creation of the freshest and cleanest flavored proteins, with superior stability for high-protein flavored milk manufacturers. As evidenced by winning 1st place Best of Class for our milk protein concentrate at the 21st U.S. Championship Cheese Contest, our proteins reign supreme in the market. Don't trust your project to anything less than the best.
